THE WAR.

Friendly feeling toward the French
E-public is greatly stimulated by America's recognition.

The Prussian forces in detachments form a semi-circle around Paris at a discount of this workform without unnecessary delay. the army has been halted at the firm request of the Russian minister in order that King William and Count Bismarch may consider a proposition for an armistice emanating from Russia and Austria. Paris remains tranquil, and the inhab-itants are firm in the belief that the city can be defended. The roads leading to

The Prussians will, in a few weeks, march triumpliantly through the streets. The amountement of the declaration of the French Republic has wrought a great change in the public sentiment here in regard to demands for compensation. The mevement in France toward free ciaims hitherto asserted for her satisfac-tion and indemnity. The proposition comprising assurances of destruction of all fortifications on the frontier line. that influence will be used to modify the interposed. ill fortifications on the frontier line, with runrantee against their being rebuilt, be destruction of the fortimeations of or and provide for the maintenance of the future peace of Europe.

The Prussians four d in the Emperor's desk a detalled statement of the Prussian fures, numbering 1,000,000 men, 16,000

lect of which will involve dishonor.

Generals Doubly and LeBrun attend the Emperor at Withelmshope. The Prusstation authorities surrounded the Emperor's fourney to Withelmshope with expansive delicacy of are and provision for the dignity and feeling of the prisoner. Advices from Cassel say nothing in the magnificent treatment of Napoleon would denote that he is a prisoner. He comes rather as the honored guest of Prussia. rather as the honored guest of Prussia.

Dispatches from Paris state that the departure of certain members of the French government for Tours has been indefi-

lois also states that the diplomatic body have postponed their depart-By an order issued by the government at Paris for the fortification of Havre,

The Landy Telegroph has a special dis-patch stating that an arrangement for the equation of the Papal perritory had taken, by widch the inhabitants are t decide for the Pope or King as civil rule the decision to be binding on both. I the meantime, the Italian troops wi held the Roman territory until the elec-tion is over, and if the result is adverse

Naples urges the King not to make Rome the capital of the nation. The Journal at clorance, justifies to that the Pontiff will accept the guardian ship of the Italian Government.

UNITED STATES.

THE PEACE OF PARIS MAINTAINED. NEW YORK September 12.-The World's Paris correspondent telegraphs; "This city is beginning to be helated. We have had no mail to-day from London, and no impatches have come through by tele graph except for the newspapers. The government exercises a supervisional of ce in the Place De la Bourse, from which uil, though not at all gay. No fears on nob violence are entertained by any one estwithstanding rumors to that effect which seem to be spread abroad in Eng-and and Belgium. I repeat that I have Henri Rochsfort, who was much fee in office, manifesta a most conservativa unper. He wol great use in controlling

EUSSIA, AUSTRIA AND MNULAND FOR New Your, September 12.—The legaathorities and insists upon advancing to

static meeting of the French Union Re-publican League was held yesterday morning at No. 100 Prince street, for the patriotic purpose of promoting and for-warding volunteers to France, and the collection of funds for the sufferers by the war. A hearty acceptance of the Repub-lic was the prevailing sentiment of those present. A resolution was adopted, thanking the Irishmen who supported the cause of Liberalism in Europe, and it was also resolved to celebrate the proclama-tion of the Republic by a mass meeting on the 22d of September, the anniversary of the first French revolution of 1792.

PRACEABLE OCCUPATION OF ROME BY THE ITALIAN ARMY.

PARIS, Sept. 12.—Signor Mordenal has arrived in Paris. He brings assurance that the Italian Government has determined to forestall all revolutionary movements in Italy in regard to Roma tarritory, without the slightest intention of harming the Ports of Carbolic world.

Washington, September 12.—Congressman Sholden, who arrived to-day from the Pope, to preserve the Catholic world from a great catastrophe. adhesion to the necessity for this step.

The Italian army now holds all roads, north and south, leading into Roman ter-

The gens d'arms have disarmed the in-surrectionists, and the King of Italy has guaranteed the maintenance of order. Advices have been received from Florence, dated 11th inst., stating that the entire country was deeply agitated. Italian flags are everywhere displayed, with placards upon which are the motto of "Long live Victor EmanPREDITED. TED. These flags are visible in the cases London, September 12.—The siege of A large meeting was held last evening at Modena in favor of the occupation of

FRANCE.

PRENCH VICTORIES-PARIS WELL PLEASED Pants, September 12, 1:35 p.m.—The Paris Ministry has just made public the itants are firm in the belief that the city can be defended. The roads leading to the city are all closed and no more provisions are going in. What the city now contains must prove sufficient for the emergency.

The Prussians will, in a few weeks, march trimmlumtly through the streets. Montmedy on Thursday. The garrison splendidly repulsed the Prussian attack. The Prussians have surrounded Meanx. They have arrived in force at Creecy, and are approaching Noissy is Grands. Paris is cheered this morning by a rumor that Russia is lusisting on an armistice, and also that the United States have

BAZAINE'S PLUCK-RUSSIA AND AUSTRIA WILL NOT SERVE REPUBLICAN FRANCE.
